SPEECH OF THE CHAIRMAN

I've started in the career of furniture approximately 20 years ago. Within these years I've been assured that without loving work, absolutely results will be different. The beginning of my own business was very small and simple in a 200 m² factory.

Then, with several obstacles, many difficulties and a lot of hard working, thanks to Allah, we could develop our company to be one of the best factories in furniture manufacturing in Egypt.

WHO WE ARE?

Makan is an Egyptian company established in 2005, Has specialized in interior design, We have a factory of more than 5,000 square meters in the 10th of Ramadan City, and we are currently opening new branches in the Kingdom of Saudi Arabia.
